For the final project, our team will be building an informational website about the IMD program. The Team name is B.E.A.R.S. and the team members are Paul Belisle, Beau Bouchard, Angelo Destro, Rebecca Liem, Sama Mirza, and Eric Tutzinger. The target audience for this site would be students potentially wanting to join the IMD program.

The courses we will be covering details about on the website are Motion Graphics, Project Management and Web Production. Teachers include Robert Mckenney, Hussein Tayrani, and Kaan Bayulken.

The tools that we are going to use to manage team communication will be Google Drive and Docs, and Facebook Messenger.
